Don't U be Sorry

I believe -

.. That heroes are the people who do what has to be done when it needs to be done, regardless of the consequences.

I believe -

.. that sometimes the people you expect to kick you when you're down, will be the ones to help you get back up.

I believe -

.. that our background and circumstances may have influenced who we are, but we are responsible for who we become.

I believe -

.. that the people you care about most in life are taken from you too soon.

Our Children Are Watching  
You're teaching a lesson each day  
that you live;  
Your actions are blazing a trail  
That children will follow for good  
or for ill;  
You can help them or cause them  
to fail.

An eighty year old man was having an annual physical. As the doctor was listening to his heart with the stethoscope, he began muttering, "Oh oh!"

The man asked the doctor what the problem was.

"Well," said the doc, "you have a serious heart murmur. Do you smoke?"

No", replied the man. "Do you drink in excess?"

"No".

"Do you have a sex life?"

"Yes, I do!!"

"Well," said the doc, "I'm afraid with this heart murmur, you'll have to give up half your sex life"

Looking perplexed, the old man said "Which half... the LOOKING or the THINKING?"

A distraught senior citizen phoned her doctor's office. "Is it true," she wanted to know, "that the medication you prescribed to me has to be taken for the rest of my life?" "Yes, I'm afraid so," the doctor told her. There was a moment of silence before the senior lady replied, "I'm wondering, then, just how serious is my condition because the prescription is marked 'NO REFILLS'."

Mad men are given a test to check their mental state. The instructor draws a door on the wall and orders them to go out.

They start rushing to the door but one remains sitting. The instructor goes to him and asks; "why didn't you join the others?" He replies, "let them fight they forgot I have the keys".

"Worrying is like a rocking chair, sure it gives you something to do, but in the end you never get anywhere."

A butcher saw a Lawyer passing by his shop one day, and asked him: Arty., what would you do if a dog came in and stole your meat?

The lawyer replied: Why? Of course, I'll make the owner pay for it!

The butcher said: If that is so, now you owe me \$15 because it is your dog.

The Lawyer replied: very well, just deduct the \$15 from the \$25 you owe me for the advice, I'll collect the remaining \$10 the next time I pass by here.

A Man rushed into a doctor's office, jumped on his back, and started screaming, "One! Two! Three! Four!"

"Wait a minute!" yelled the doctor, trying to get free.

"What do you think you're doing?"

The man said, "Well doctor, they did say I could count on you!"

## Children Need Caring Homes

Foster parent opportunities are now available in your area. Open your home and heart to a child in your community.

Foster care provides a caring and safe home environment that promotes healthy development for children during a time they must temporarily live away from home. Foster parents come from all walks of life and from all cultural, educational and economic backgrounds. Ongoing training and support is provided by Community Resources and Employment and by the Saskatchewan Foster Families Association. For more info, visit our web site at [www.dcre.gov.sk.ca](http://www.dcre.gov.sk.ca).

If you have questions or want to discuss how to become a foster family, please call toll-free Charda Kirsch in Melfort at 1-800-487-8640 or Shauna Lariviere in Nipawin at 1-888-487-8594

Two women, who are dog owners, are arguing which dog is smarter.

First woman: My dog is so smart. Every morning he waits for the paperboy to come around and then he takes a newspaper and brings it to me.

Second woman: I know.

First one: How?

Second one: My dog told me.

When you answer the phone, Smile. People will hear it in your voice!

A Redhead named Anna had a near death experience. The other day she went horse back riding and everything was going fine until the horse started bouncing out of control. She tried with all her might to hang on, but was thrown off. Just when things could not possibly get worse, her foot got caught in the stirrup. When this happened, she fell head first to the ground. Her head continued to bounce harder as the horse did not stop or even slow down.

Just as she was giving up hope and losing consciousness, the Wal-Mart manager happened to walk by and unplug it.

An elderly couple was attending church services. About half way through she leans over and says to her husband, "I just silently passed gas - what do you think I should do?"

He replied, "Put a new battery in your hearing aid."

Aunt Mary went to her Dr. to see what she could do for her constipation. "It's terrible;" she told the Dr. I haven't moved my bowels in over a week." I se. Have you done anything about it?" asked the Dr. "Oh, yes she replied, I sit in the bathroom for a good half of an hour in the morning and then again at night. "No," the Dr. said, "I mean do you take anything?" "Of course I do." She replied, "I take a magazine".

### Gasoline Jokes

\* My wife wanted to go some  
 where expensive for our  
 anniversary, so I took her down  
 the street to the Husky Gas  
 Station.

\*I have my car towed to work  
 because it is cheaper than  
 buying gas.

I saw a guy on the street  
 corner, holding up a hat and a  
 sign that said, "Wife and 2 cars  
 to feed."

"I am only one, but still I am  
 one. I cannot do everything, but  
 still I can do something, and  
 because I cannot do everything,  
 I will not refuse to do  
 something I can do.

Ah, so true  
 The nicest thing about the  
 future is that it always starts  
 tomorrow.

If you don't have a sense of  
 humor, you probably don't have  
 any sense at all.

A passenger train is creeping  
 along slowly. Finally it creaks  
 to a halt. A passenger sees a  
 conductor walking by outside.  
 "What is going on?" she yells  
 out the window

"Cow on the track!" replies the  
 conductor. Ten minutes later,  
 the train resumes its slow pace.  
 Within five minutes, however,  
 it stops again. The woman sees  
 the same conductor walk again.  
 She leans out the window and  
 yells, "What happened? Did we  
 catch up with the cow again?"

Merry Christmas to All
